Sales and Marketing for AT&T and Charities

Research and Case Studies

EDUCATION

Arkansas State University	Jonesboro/West Memphis, AR
Bachelor of Arts in Psychology	GPA: 3.84

- Business Technology

COMMUNICATION

In order to be a good in sales and marketing, which I was for many years, excellent communication skills are required. I have also given oral reports in college thus spending countless hours doing research.

LEADERSHIP

I have always been the type of person to notice when others need assistance and in which area. I'm good at problem solving so I point them in the right direction. I implement my leadership skills best in this way.
